

# MARQUETTE UNIVERSITY HIGH SCHOOL

MILWAUKEE, WISCONSIN

75,000 square feet  
9-12 grade college prep  
\$3 million chapel construction cost  
\$9.5 million school construction cost  
November 2008 completion

Phase one of this multi-phase project includes a two-level addition on the southwest of the campus and a two-level, 350-seat chapel addition along with renovations. Specific areas include science classrooms; music, art, and theater set production areas; conference center; administration and business development; locker rooms; and a fitness area. Phase two modernization includes refacing the Wisconsin Avenue facade; updating the HVAC system; making bathrooms accessible; replacing windows; and renovating the Blue Gold room, co-curricular student space, cafeteria, kitchen, and gym concessions.
